# GOLDEN TICKET

Your child could be on stage with the cast!

**T**his year, the cast of the McKenzie School Variety Show would like to share the stage with up to six lucky students for "walk-on" parts during a song or vignettes between songs. Each of the six students will receive six reserved seats to one show for five friends to see his/her walk-on role.

### Here's how it works

Starting this week, members of the 2009 Variety Show cast will be selling Golden Tickets at drop-off and pick-up times. Each Golden Ticket has a unique number. On Monday, March 2, we'll feature the six Golden Ticket winning numbers inside Backpack. If your Golden Ticket has one of the

numbers your child can join the cast for a special walk-on role. All we ask is that your child be available for rehearsal Saturday morning, March 7, between 8 and noon, and then on the specific night of the Show (week of March 10).

Golden Tickets are \$5.00 each or three for \$10.00.

- Value of six seats at the 2009 show: \$42
- Value of each walk-on role: Priceless.

No previous performance experience needed. Only one walk-on role per night. If more than one of your Golden Tickets has a winning number, your child will be eligible for only one walk-on role. **All proceeds benefit McKenzie PTA.**
