

2010-2011 Connecting Kids Preschool Registration Begins December 1st

Housed within Romona School is the Connecting Kids Preschool Program. The half-day sessions for three, four and five year-old children are specifically designed to prepare children for District 39 kindergarten classrooms. With structured play, differentiated learning, and vocabulary development, Connecting Kids provides an excellent foundation for all children.

Two hallmarks of the program are the low student to teacher ratio and the teachers themselves. The student to teacher ratio is at least 3:1. Connecting Kids teachers are exceptionally well trained and hold degrees in early childhood, speech and language, occupational and physical therapy. They also participate in ongoing professional development.

The program has a dual purpose of providing a program for children with specials needs, as well as providing a high-quality community preschool for typically developing children.

Reserve a spot for your child in next fall's three, four or five year-old classes. **Registration opens December 1, 2009 and closes January 29, 2010.** Call Julie Pease, Early Childhood Coordinator, at 847-256-0211 x6463 or visit <http://www.wilmette39.org/peds> to download a registration form and learn more about this exceptional District 39 program.
