Winter, 2008

GROCERY DOLLARS PARTICIPATION IS MORE IMPORTANT THAT EVER

Did you know that there is no annual benefit this year? The PTA still pays for all the field trips and enrichment events for our students, and that makes your Grocery Dollars purchases even more important. Why not enjoy the ease of raising funds for the PTA at no additional cost to you? The PTA buys the dollars from the grocery stores at a discount and offers them to you at face value. When you pay by check, the profit to the PTA is 5%. When you pay by credit card, the profit is @ 2%. So consider buying Grocery Dollars, as it this will be our biggest fundraiser for the year.

NEWS FLASH

INCREASE YOUR BUDGETING EFFICIENCY BY USING GROCERY DOLLARS

In these interesting economic times, we are all watching our spending closely. Did you know that using Grocery Dollars can actually help you keep track of your spending? By buying a finite amount of Grocery Dollars, you can track how much under or how much over budget you spend at the Grocery Store. Even better, you are making a contribution to the McKenzie PTA without it being a line item on your bank account!

Don't want to make the commitment of a subscription? Then try the Grocery Dollars program for a month. Once you see how easy it is, you'll be hooked.
