

GROCERY DOLLARS GAB

Fall, 2008

GROCERY DOLLARS WILL BE THE MCKENZIE PTA'S LARGEST FUNDRAISER FOR '08-'09

This school year, the PTA has decided not to hold a Spring Benefit. However, they still need funds to underwrite all of the McKenzie Enrichment programs--Field Trips, Assemblies, Fine Arts, etc. That means Grocery Dollars is as important as ever this school year. The PTA is hoping to have as many families participating as possible. The best part is, you can participate without having to pay a premium. We buy the dollars from the grocery stores at a discount and offer them to you at face value. When you pay by check, the profit to the PTA is 5%. When you pay by credit card, the profit is @ 2%. So consider being a Grocery Dollars Subscriber TODAY!!

ANOTHER EASY PAYMENT IDEA: SEND IN MULTIPLE POST DATED CHECKS

Last issue, we discussed starting a recurring payment with your on-line banking. Many of you took the idea and ran with it - Bravo! Others are not wedded to the idea of on-line banking, know it's important to pay by check but still don't want to be bothered with remembering to pay by the 10th every month. Here's another solution: we can accept post dated checks up until June of 2009. Write out a series of checks with dates of 9/10/08, 10/10/08, 11/10/08, etc. We'll hold on to the checks and deposit them in your account. When you receive your invoice, it will be stamped PAID.

There are other ways to make the payment process easy. Ask a Grocery Dollars Committee person for suggestions. We're an accommodating group!
